fat & happy

bride of gluttony conditioner

a weight-free conditioner to physically fatten hair with protein and film formers. put the thickness on and keep it there.

how to use.

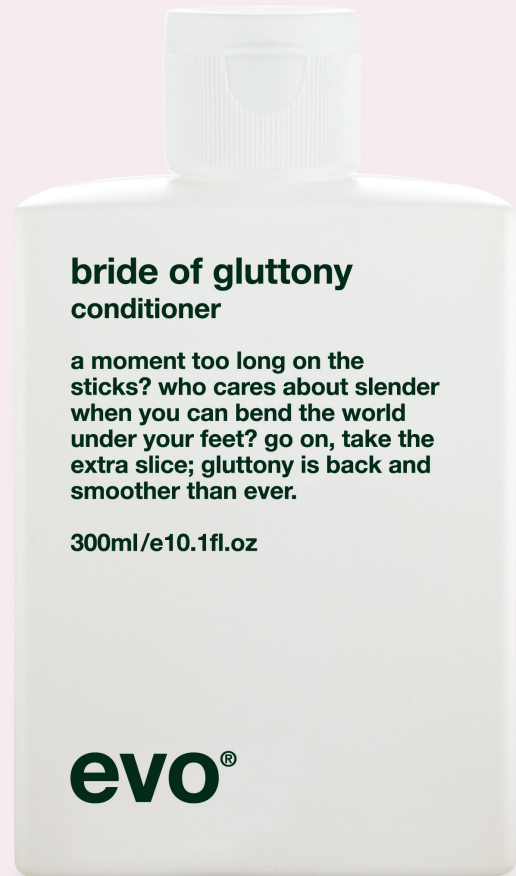

if you think of polishing bowling balls or kneading bread, while you're at this you have probably gone to far, but somewhere in between will do. as ritual is of higher concentration you only need about 20c worth on your hand for each head of average hair, (and don't tell me you don't know how much that is).

results.

fat and happy hair with loads of volume and shine.
