mane rollers[™]

twisted for life

end doctor smoothing sealant

a strand strengthening crème to seal the cuticle, bind split ends, maintain some health and bring into line the strays breaking away from the pack.

how to use.

work into hands; apply to towel-dried hair, air dry for natural finish or diffuse for stronger, more defined curl.

results.

smooth, soft, healthy hair.

recommended for.

dry, thick hair. chemically treated hair. brittle, damaged hair. increasing the pliability and manageability of hair. protection from uv and heat damage. split ends and flyaway.

**end doctor
smoothing sealant**

slightly possessed,
uncontrollable, wild
and spinning while
simultaneously vomiting
and pronouncing your
good name backwards
into the fires of stylistic
hell? and that's before
you noticed it was all
coming apart at the ends.

150ml/e5.1fl.oz
