## helmut finishing spray

a hairspray designed to provide maximum control, hold, and body.

- hold factor 5

- shine factor 3

### how to use.

spray to specific areas for support and control, spray evenly onto finished style for general hold.

### results.

adds control, volume, shine and extra strong hold.

### recommended for.

root lift, support, volume; all hair textures; control that is humidity resistant; finishing styles with maximum hold; protection from humidity and uv rays.

### features and benefits.

sunscreen factors - protects hair from sun damage; panthenol - moisturising benefits, prevents brittleness and breakage; fine mist - dries on contact, not tacky or sticky; pvp copolymer - ultimate hold factor under any conditions, provides body and fullness.

### size.

400g
