### love perpetua shine drops

a glossing liquid that seals the cuticle,  
polishing hair smooth.

- hold factor 0

- shine factor 5

#### how to use.

work a few drops into hands; apply to towel-dried hair, blow dry, flat iron if required and/or apply to dry hair to finish with shine.

#### results.

smooth, polished hair that shines. helps to eliminate frizz and mend split ends.

#### recommended for.

reducing flyaways for frizzy or dry hair; defining wavy hair; smoothing curls; helping to prevent and mend split ends; increasing combability; damaged, coloured hair; protection and shine; promoting healthy amounts of envy (in others).

#### features and benefits.

dimethiconol - imparts shine and body; cyclomethicone - conditions hair; dimethicone - protects hair, improves combability.

#### size.

60ml
