fine, brittle hair, volume and style support, blow drying to add massive volume, defining and holding curl, separation and texture.

shape vixen
body giving juice

shape vixen, or “the essential” as it is known in the profession, is the mr wolf of styling issues; the complete total of all sums; the beginning of all ends; sunrise, sunset and the full moon all in one... somewhat eerie really.

200ml/e6.8fl.oz
